

Lighted Boat Parade Info for Participants

December 2, 2017

Boat Number: Display on the starboard (right) side of boat.

Important: Be sure and return your boat number at the Awards Ceremony.

Radio: Monitor Channel 72

Order: Gather in Conn Brown Harbor at about 5:30. The parade will begin at about 6:00 pm.

Route: Begin in Conn Brown Harbor somewhere opposite of the boat ramps in the main part of the harbor. We will circle the harbor two or three times depending on time and the number of boats to allow people along the banks to enjoy the boats, Then, we will proceed up the east side of the harbor past the docks at Redfish Bay Boathouse and turn port so that the starboard side of our boats with the boat numbers are toward the judges on the end of the docks. We will circle by the judges twice so they get a good chance to evaluate each boat. After our second pass, we will proceed to the south end of the harbor where we will head out of the harbor. Then, we will turn South under the bridge to proceed up the ICW, past Bay Harbor to the Hampton's Landing Channel, and turn into the channel. The parade will continue to Pelican Cove. Go through the flood gates and proceed down main channel to the large turning basin. The parade route ends at this point.

Judges: Judges will be located on the end of the dock at Redfish Bay Boathouse. Each boat will pass by the judges twice. Each boat will please shine a light on your number as you pass by the so the judges can read your number easily. The judges will fill out the judge's forms for turn in at the APYC club house. Please join us for dinner and refreshments!

Thank you for joining us. Good luck and have a great time!

See you at the Aransas Pass Yacht Club building around 7:30 PM for the awards ceremony. Cost is \$5.00 per person for dinner.

Don't forget to return your boat number.
